31	- “ -		P07(6h), P16(2h) *	

*: GM+TPP+CSS et al. (P14) will observe for 1hr

+: PSP et al. (P20) will observe for 40min

P09 (GCA+DKS et al.) is accepted as ToO proposal for observations of SNe.

P16 (FS et al) is accepted as ToO proposal for observations of type II supernovae.

(PI(s) of the ToO proposals will need to request the observer(s) allotted the night. The total time used for ToO observations during the cycle shall not exceed the time specified by TAC.)
