- Communication is sent to all the selected students individually. The students are advised to arrive the campus at IIA, Kodaikanal on 3rd June 2007. Earlier arrival will not be entertained as it will cause inconveniences for the preparations of the guesthouse for the school. Single second class sleeper train / bus fare for the shortest route as per norms will be paid as TA to the students who will be attending the school. The temperature will be around 15 degree Celsius during the month of June and also the southwest monsoon will be active during the period. The students are advised to come with adequate warm clothing, raincoat / umbrella and torchlight. The students who cannot make it to the school may please inform in advance so that chance will be given to the wait listed candidates.
