**Note:** (1) The Tender documents with Technical details are available on IIA website [www.iiap.res.in/tenders.htm](http://www.iiap.res.in/tenders.htm). Hence the interested tenderers may at their option down load the same from the website and submit their offer along with EMD (refundable) & Tender fee (non-refundable) prescribed therein, (only in the form of Demand Draft drawn in favour of Director, IIA). However, your offer (both Technical & Commercial bids) should be submitted with details superscribed in separate envelopes mentioning the tender notice no., Date of opening, and submit both the Bids in a sealed envelope addressed in favour of Director, IIA, Bangalore – 34.

2. The firms who fulfill the following requirements shall be eligible to apply. Joint ventures are not acceptable.

(a) Tenderer should have completed, in the last 3 financial years (i.e., current year and two previous financial years) at least one similar single work for a minimum value of 40% of the estimated cost mentioned above.
(b) The total contract amount received during the last 3 financial years, and the current financial year should be a minimum of 150% of the above mentioned value. The tenderer should submit Audited Balance Sheet duly certified by the Chartered Accountant to this effect. They should also submit Bankers Solvency Certificate to a minimum of 40% of advertised tender value.

(c) The Private Body Contractor will be required to produce the TDS Certificate indicating the Income Tax deducted by the client for similar works completed individually of value not less than Rs.50 Lakhs.

3. Bids supported by the above information should be submitted in Sealed envelope duly superscribed with the name of work. The completed Bids will be received **upto 1500 Hrs. on 15/5/07.**

4. If any information furnished by the tenderers is/are found incorrect at a later stage, the firm shall be liable to be debarred from tendering and taking up of work in IIA. The Institute reserves the right to verify the particulars furnished by the applicants independently.

5. There will be a meeting **on 25/4/2007** at IIAP, Koramangala, Bangalore-34 for technical discussions, if any, before submitting Bids.

6. The firms should submit both Technical and Commercial bids separately with details superscribed along with EMD amount **upto 1500 Hrs. Latest by 15/5/2007.** The Technical Bid will be opened in presence of the bidders or their representatives **at 1530 Hrs. on 15/5/2007.**

7. Incomplete Technical Bids are liable for rejection. Commercial Bids will be considered only for the successful Technical Bidders.

8. Late or delayed offer will not be considered.

9. IIA is not responsible for any delay / loss of documents in transit.
10. The Commercial Bids will be opened on 21/5/2007 at 1530 Hrs. of those firms technically qualified in the presence of bidders or their representatives.

11. IIA reserves the right to reject any tenders application without assigning any reason and to restrict the list of pre-qualified firms to any number deemed suitable.

Administrative Officer
IIA, Bangalore-34.
Annexure-I

IMPORTANT: TWO PART TENDER INSTRUCTIONS

Date: Signature and seal of Tenderer
Annexure – II

(A note detailing the technical aspects, Vendors are requested to visit and study the site before submitting the quotation).

It is proposed to renovate / refurbish the auditorium at the Indian Institute of Astrophysics, Kodaikanal, Tamilnadu.

A plan of the existing auditorium is given below.
Details of requirements.

The following is a technical note regarding the work involved.

The walls of the auditorium have to be provided with acoustic / sound soak panels. The ceiling of the auditorium with has to be provided with acoustic tiles. Both the annexes have to be provided with a false ceiling (thermocole, mineral fibre board etc.).

The dias table has to be redone with provision for storage, UPS sockets and internet sockets.

The main door (Door at the entrance of the auditorium) has to be provided with acoustic treatment using non-health hazard glass wool, overlaid with veneer sheet and melamine polished with new fixtures for lock, handle etc.

Panelling of 12mm thick plywood finished in veneer with melamine polish has to be provided for a height of 1 foot between the floor and the acoustic wall panel. A suitable wooden beading has to be provided in the junction of the wall panel and the veneer panel. Power sockets have to be provided in the venner paneling.

In the annexe at the right side of the auditorium (as seen in the plan), running counters made out of 19mm thick commercial block board finished with 1mm thick wood grain laminate with wire managers for housing personal computers have to be provided. Table edge thickness is to be 38mm and table legs is to be of 19mm thick board finished in same laminate on both sides. PVC keyboard tray is also to be provided. Width of table is to be 2’. Wooden raceways for housing cables is also to be provided.

The existing podium is to be modified to attenuate the noise produced during walking.

The door at the entrance of the building has to be provided with commercial plywood cladding and finished in veneer and melamine polish.

A sunshade to aesthetically match the surroundings for the entrance door of the building has to be provided.

One door and two wall openings in the annexe on the left side of the auditorium (as seen in the plan), has to be blocked with 12mm thick commercial plywood with basic framework. Some portion in the wall openings have to be provided with shelves.

Doors with acoustic treatment has to be provided at the entrance of both the annexes.

Lighting for the auditorium using CFL lamps is to be provided. Suitable number of lamps to provide ample amount of lighting has to be decided and suggested by the vendor. A multimedia projector with a motorized screen in addition to the existing one has to be supplied and installed. The existing unit has to be relocated to one side.
An audio system of a reputed brand, consisting of mixer, amplifier etc., suited to the auditorium, replacing the existing one, has to be provided. The audio system will be used for speech and multimedia projection. Vendor has to give a technical note and breakup of the system. 23 handheld microphones and 2 lapel microphones have to be provided in the audio system. The audio-visual control for the audio system has to be provided in the annexe on the right side of the auditorium (as seen in the plan). A stand for the microphone on the lecturn is also to be provided.

Electrical work required for the extra items being provided is to be carried out. Vendor may give details for the same.

Vendor has to suggest a method for reducing the noise due to the impinging of rainfall on the roof. The technical detail and the costing for the same has to be included in the quote.
Annexure - III

INSTRUCTIONS TO TENDERERS

1. Tenders should be sent in sealed and superscribed envelopes with mention of Tender No. date and date of opening. Only one Tender should be sent in each envelope.

2. Late and Delayed Tender will not be considered at all.

3. Duties, Taxes where legally leviable and intended to be claimed should be distinctly shown separately in the Tender.

4. As a Govt. of India Department, this office is exempted from the payment of Octroi Duty and similar local levies (but not providing any C or D forms). Tenderers shall ensure that necessary exemption certificates are obtained from the officer concerned to avoid any payment of such levies.

5. a) Your quotation should be valid for 120 days from the date of opening of tender.
   b) Prices are required to be quoted accordingly to the units indicated in the annexed tender form. When quotations are given in terms of units other than those specified in the tender form, relationship between the two sets of units must be furnished.

6. Preference will be given to those tenders offering supplies from ready stocks and on the basis of F.O.R Destination/Free door delivery at Site.

7. a) All available Technical Literature(s), Catalogue(s) and other data in support of the specifications and details of the item(s) should be furnished along with the offer.
   b) Samples, if any, called for, should be submitted free of all charges by the tenderer and the Purchaser shall not be responsible for any loss or damage thereof due to any reason whatsoever. In the event of non-acceptance of tender, the tenderer shall have to remove the samples at his own expense.
c) Approximate net and gross weight of the items offered shall be indicated in your offer. If dimensional details are available the same should indicated in your offer.

d) SPECIFICATIONS:
Stores offered should strictly conform to our specifications. Deviation, if any should be clearly indicated by the tenderer in their quotation. The tenderer should also indicate the Make/type No. of the stores offered and provide catalogue(s), Technical literature(s) and sample(s), wherever necessary along with the quotations. Test certificates wherever necessary should be forwarded along with the supplies. Whenever options are called for in our specifications, the tenderer should address all such options. Wherever specifically mentioned by us the tenderer could suggest changes to specifications with appropriate response for the same.

8. The purchaser shall be under no obligation to accept the lowest or any tender and reserves the right of acceptance of the whole or any part of the tender or portion of the quantity offered and the tenderers shall supply the same at the rates quoted.

9. Corrections, if any, must be attested. All amounts shall be indicated both in words as well as in figures. Where there is difference between amounts quoted in words and figures, amount quoted in words shall prevail.

10. The Tenderer should supply along with the tender, the name of his bankers as well as the latest Income Tax Clearance Certificate duly countersigned by the Income Tax Officer of the circle concerned under the seal of his office, if required by the Purchaser.

11. The Purchaser reserves the right to place order on the successful tenderers for additional quantity upto 25% of the quantity offered by them at the rates quoted.

12. The authority of the person signing the tender, if called should be produced.
13. Complete system configuration and system and sub-system design details should have approval of the purchaser before actual fabrication or procurement process.
14. A complete set of instruction and operation manual should be supplied at the time of installation.
15. Final performance should be guaranteed at the site.
TERMS AND CONDITIONS OF CONTRACT

1. DEFINITIONS:
   a). The terms ‘Purchaser’ shall mean the Director, Indian Institute of Astrophysics, Bangalore-560 034.
   b). The term ‘Contractor’ shall mean, the person, firm or company with whom or with which the order for the supply of stores is placed and shall be deemed to include the Contractor’s successors, representative, heirs, executors and administrators unless excluded by the contract.
   c). The ‘Stores’ shall mean that contractor agrees to supply under the contract as specified in the Purchase Order including erection of Plants and machinery and subsequent testing, should such a condition be included in the Purchase Order.
   d). The terms ‘Purchase Order’ shall mean the communication signed on behalf of the Purchaser by an officer duly authorized intimating the acceptance on behalf the Purchaser on the terms and conditions mentioned or referred to in the said communications accepting the tender or offer of the contractor for supply of stores or plant, machinery or equipment or part thereof.

2. PRICES:
   Tenders offering firm prices will be preferred, where a price variation clause is insisted upon by a tenderer, quotations with a reasonable ceiling should be submitted. Such offers should invariably be supported by the base price taken into account at the time of tendering and also the formula for any such variations.
   Duty Exemption:
   Any Equipment/part of the equipment can be imported for which “Duty Exemption Certificate” will be provided by IIA as an actual user basis.
3. **SECURITY DEPOSIT:**

On acceptance of Tender, the Contractor shall, at the option of the Purchaser and within the period specified by him deposit with him in cash or any other form as the Purchaser may determine, Security deposit not exceeding ten percent of the value of the contract as the Purchaser shall specify. If the contractor is called upon by the purchaser to deposit ‘Security’ and the contractor fails to provide the security within the period specified, such failure shall constitute a breach of the contract and purchase shall be entitled to make other arrangements for the re-purchase of the stores contracted for at the risk of contractor in terms of sub-clause (ii) and (iii) of clause 10 (b) hereof and/or to recover from the contractor damages arising from such cancellation.

4. **GUARANTEE AND REPLACEMENT:**

a) The contractor shall guarantee that the stores supplied shall comply fully with the specifications laid down, for material workmanship and performance.

b) For a period of (12) twelve months after the acceptance of the stores, if any defects are discovered therein or any defects therein found to have developed under proper use arising from faulty stores, design or workmanship, contractor shall remedy such defects at his own cost provided he is called upon to do so within a period of 14 months from the date of acceptance thereof by the purchaser who shall state in writing in what respect the store or any part thereof are faulty.

c) If in the opinion of the purchaser, it becomes necessary to replace or renew any defective stores such replacement or renewal shall be made by the Contractor free of all costs to the purchaser provided the notice informing the contractor of the defect is given by the purchaser in this regard within the said 14 months from the date of acceptance thereof.

d) Should the contractor fail to rectify the defects, the purchaser shall have the right to reject or repair or replace at the cost of the contract -or the whole or any portion of the defective stores.
e). The decision of the purchaser, not withstanding any prior approval of acceptance or inspection thereof on behalf of the purchaser, as to whether or not the stores supplied by the contractor are defective or any defects have developed within the said period of 12 months or as to whether the nature of the defectives required renewal or replacement shall be final, conclusive and binding on the contractor.

f) To fulfill guarantee conditions outlined in Clause 4(a) to (d) above, the contractor shall, at the option of the purchaser, furnish a Bank Guarantee (as prescribed by the purchaser) from a Bank approved by the purchaser for an amount equivalent to 10% of the value of the contract along with first shipment documents. On the performance and completion of the contract in all respects, the Bank Guarantee will be returned to the contractor without any interest.

g) All the replacement stores shall also be guaranteed for a period of 12 months from the date of arrival of stores at Purchaser’s site.

h) Even while the 12 months guarantee applied to all stores in case where a greater period is called forth by our specifications then such a specification shall apply; in such cases the period of 14 months referred to in Para 4(b) and (c) shall be ‘asked for’ guarantee period plus two months.

5. PACKING, FORWARDING AND INSURANCE:

The Contractor will be held responsible for the stores being sufficiently and properly packed for transport by rail, road, sea or air, to withstand transit hazards and ensure safe arrival at the destination. The packing and marking of packing shall be done by and at the expenses of the contractor. The Purchaser will not pay separately for transit insurance, all risks in transit being exclusively of the contractor and the Purchaser shall pay only for such stores as are actually received in good condition, in accordance with contract.

6. TEST CERTIFICATE:

Wherever required Test Certificate should be sent along with the relevant dispatch documents.
7. **ACCEPTANCE OF STORES:**

a) The Stores shall be tendered by the contractor for inspection at such places as may be specified by the purchaser at the Contractor’s own risk, expenses and cost.

b) It is expressly agreed that the acceptance of stores, contracted for is subject to final approval by the Purchaser, whose decision shall be final.

c) If, in the opinion of the Purchaser all or any of the stores that do not meet the performance or quality requirements specified in the Purchase Order, they may be either rejected or accepted at the price to be fixed by the purchaser and his decision as to rejection and the prices to be fixed shall be final and binding on the contractor.

d) If the whole or any part of the store supplied are rejected in accordance with Clause No.7 (c) above, the Purchaser shall be at the liberty, with or without notice to the Contractor, to purchase in the open market at the expenses of the Contractor, stores meeting the necessary performance and quality contracted for in place of these rejected, provided that either the purchase, or the agreement to purchase, from another supplier is made within six months from the date of rejection of the stores as aforesaid.

8. **REJECTION OF STORES:**

Rejected Stores will remain at the destination at the Contractor’s risk and responsibility, if instructions for their disposal are not received from the Contractor within a period of 14 days from the date of receipt of the advice or rejection, the Purchaser or his representative has, at his discretion the right to scrap or seal or consign the rejected stores to the Contractor’s address at the Contractor’s entire risk and expense, freight being payable by the Contractor at actuals.
9. **DELIVERY PERIOD:**

a) The time for and the date of delivery of the stores stipulated in the Purchase order shall be deemed to be the essence of the Contract, and delivery must be completed on or before the specified dates.

b) Should the Contractor fails to deliver the stores or any consignment thereof within the period prescribed for such delivery, the Purchaser shall be entitled at his option either.

i) to recover from the Contractor as agreed liquidated damages and not by way of penalty, a sum of 2% of the price of any stores which the contractor has failed to deliver as aforesaid for each month or part of a month, during which the delivery of such stores may be in arrears, or

ii) to purchase elsewhere, without notice to the Contractor on the account and at the risk of the contractor, the stores not delivered or others of similar description (where other exactly complying with the particulars are not, in the opinion of the purchaser readily procurable, such opinion being final) without canceling the Contract in respect of the consignment(s) not yet due for delivery or,

iii) to cancel the contract or a portion thereof, and, if so desired to purchase or authorize the purchase of stores not so delivered or others of similar description (where others exactly complying with the particulars are not, in the opinion of the purchaser readily procurable, such opinion final) at the risk and cost of the Contractor.

In the event of action being taken under sub-clause (ii) and (iii) of clause 9 above, the Contractor shall be liable for any loss which the Purchaser may sustain on that account, provided that the re-purchase, or, if there is an agreement to re-provided that the agreement, is made within (6) six months from the date of such failure. But the Contractor shall not be entitled to any gain on such re-purchase made against default. It shall not be necessary for the purchaser to serve a notice of such re-purchase on the defaulting Contractor. This right shall without prejudice to the right of the purchase to recover damages for breach of contract by the Contractor.
10. **EXTENTION OF DELIVERY TIME:**

As soon as it is apparent that Contractor dates cannot be adhered to, an application shall be sent by the Contractor to the Purchaser. If failure, on the part of the Contractor to deliver the stores in proper time shall have arisen from any cause which the Purchaser may admit as reasonable ground for an extension of the time (and his decision shall be final he may allow such additional time as he considers it to be justified by the circumstances of the case without prejudice to the Purchaser’s rights to recover liquidated damages under clause 9 hereof.

11. **PAYMENT:**

Contractor’s Bill will be passed only after the stores have been received, inspected and accepted by the Purchaser for payment.

12. **RECOVERY OF SUMS DUE:**

Whenever there is a breach of contract whether liquidated or not, money arises out of or under this contract against the contract, the Purchaser shall be entitled to recover such sum by appropriating, in part or while, the security deposited by the Contractor, if a Security is taken against the contract. In the event of the Security being insufficient or if no security has been taken from the Contractor, then the balance or the total sum recoverable as the case may be shall be deducted from any sum then due or which at any time thereafter may become due to the contractor under this or any other contract with the Purchaser. Should this sum be not sufficient to cover the full amount recoverable, the Contractor shall pay to the Purchaser on demand the remaining balance due. Similarly, if the purchaser has or makes any claims, whether liquidated or not, against the Contractor under any other contract with the purchaser, the payment of all moneys payable under the contract to the Contractor including the Security Deposit shall be withheld till such claims of the Purchaser are finally adjudicated upon and paid by the Contractor.

13. **INDEMNITY:**

The Contractor shall warrant and be deemed to have warranted that all stores supplied against this contract are free and clean of infringement of any patent, copyright or trade mark, and shall at all time indemnity the purchaser against all claims which may be made in respect of the stores for infringement of any right protected by patent, registration of design or trade mark and shall take all risk of accidents of damage which may cause a failure of the supply from whatever cause arising and the entire responsibility for sufficiency of all the means used by him for the fulfillment of contract
14. **ARBITRATION:**

In the event of any question, dispute or difference arising under these conditions contained in the purchase order in connection with this contract, (except as to any matters the decision of which is specially provided for by these conditions), the same shall be referred to the sole arbitration of the Head of the Purchase Officer or of some other person appointed by him. It will be no objection that the arbitrator is a Government Servant, that he has to deal with matter to which the Contract relates or that in the course of his duties as Government Servant he has expressed views on all or any of the matters in dispute binding on the parties of this Contract.

(a) **TERMS OF THIS CONTRACT:**

If the Arbitrator be the Head of the Purchase Office,

i) in the event of his being transferred or vacating his office by resignation or otherwise, it shall be lawful for his successor-in-office either to proceed with the reference himself, or to appoint another person as arbitrator, or,

ii) in the event of his being unwilling or unable to act for any reason, it shall be lawful for the Head of the Purchase Office to appoint another person as arbitrator or,

(b) If the Arbitrator be a Person appointed by the Head of the Purchase Officer:-

In the event of his death, neglecting or refusing to act, or resigning or being unable to act for any reason, it shall be lawful for the Head of the Purchase Office either to proceed with reference himself or to appoint another person as arbitrator in place of the outgoing arbitrator. Subject as aforesaid, the Arbitration Act, 1940 and the rules there under and any statutory modifications thereof for the time being in force shall be deemed to apply to the arbitration proceedings under this clause. The Arbitrator shall have the power to extend with the consent of the Purchaser and the Contractor the time for making a publishing the award. The venue of Arbitration shall be the place as the Purchaser. In his absolute discretion may determine. Work under the contract shall if reasonably possible, continue during Arbitration proceedings.

-9-
11. **COUNTER TERMS AND CONDITIONS OF SUPPLIERS:**

   Where Counter Terms and Conditions/printed or cyclostyled conditions have been offered by the Supplier, the same shall not be deemed to have been accepted by the Purchaser, unless specific written acceptance thereof is obtained.

12. **SECURITY FOR PURCHASER’S MATERIAL(S):**

   Successful Tenderer will have to furnish in the form of a Bank Guarantee or any other form as called for by the Purchaser towards adequate security for the materials/property provided by the Purchaser for the due execution of the Contract.
