Introduction:

The Indian Institute of Astrophysics is a premier institute devoted to research in astronomy, astrophysics and related physics.

The library of Indian Institute of Astrophysics is more than two hundred years old. Since then, the library has been continuously acquiring astronomical literature in the form of books, journals and catalogues, and today it can boast of housing the largest collection in Astronomy in the country.

Our library provides the Indian Institute of Astrophysics faculty, students and visiting scholars from around the globe with ready access to complete collections of print and online astronomy resources.

Statement of Purpose:

The library is in need of additional space for stacking library books and journals. Since the existing library space can not be re-arranged or expanded for this purpose, we are planning to create additional space by adding compact storage facility in the room adjacent to the library. This storage unit will accommodate a minimum of 5000 bound volumes of journals which are used less frequently.

Description of the work:

The compact storage system consisting of all the three units, a) Mobile unit, b) Static unit, and c) Guide track, Have to be supplied and installed in the space allocated, mentioned as follows:

- Height of the room = 11’ 4”
- Space width for the storage unit = app.9’ 5”
- Space length for the storage unit = app. 20’ 11”

The dimension of the storage unit has to be tailored to these measurements. The height of the storage unit has to be maintained at an height = app. 7’
Each length of the rack has to be divided into equal compartments. This storage unit has to be provided with mechanical assisted drive mechanism.
In pursuance of the above, the Director, Indian Institute of Astrophysics, through this announcement, invites companies with proven expertise and experience in executing such a facility to offer their proposal.

Companies willing to undertake the task are invited to respond to this announcement by sending a letter of expression of interest accompanied by the following:

1. Technical bid containing:
   a) Description of the proposal
   b) Time schedule for implementing the project
   c) Profile of the company and areas of expertise and,
   d) List of projects carried out and the clients supplied by the company

2. A Cost bid containing:
   a) The price with an item-wise break-up of the cost and payment schedule.

The Technical Bid and cost bid should be sent in separate sealed envelopes super subscribed Technical bid and cost bid respectively and addressed to The Director, Indian Institute of Astrophysics, Koramangala, Bangalore – 560 034, INDIA on or before 2009.

(Refer to the date of submission in the tender document also).

The Technical bids will be evaluated and the short listed companies will be expected to make presentations of their proposals to a technical body.

Following the evaluation of the technical and cost bids, one of the companies may be chosen to supply the product.

**Responsibilities of the Vendor:**

1) The vendor has to make sure that the supplied units of the compact storage are of good quality which will be inspected by the competent technical person of institute before installation.

2) The dimensions of the compact storage unit will be custom made according to the requirement of the institute. (the diagram of the floor space where the compact storage has to be installed is provided as Annexure – I)

3) The vendor is responsible for carrying out the civil work required in connection with the installation of the compact storage. He has to ensure that the civil work carried out adhere to the standards of the compact storage installation.
Commercial Terms:

1) The price quoted should mention the prevailing rate of tax at the time of billing/delivering.
2) The quoted price should include all the quotes including the ones for civil work, storage units and the installation charges.
3) Warranty period should be clearly mentioned.

**TERMS AND CONDITIONS OF CONTRACT**

**1. DEFINITIONS:**

   a) The terms ‘Purchaser’ shall mean the Director, Indian Institute of Astrophysics, Bangalore-560 034.

   b) The term ‘Contractor’ shall mean, the person, firm or company with whom or with which the order for the supply of compact storage unit is placed and shall be deemed to include the Contractor’s successors, representative, heirs, executors and administrators unless excluded by the contract.

   c) The Contractor agrees to supply under the contract as specified in the purchase order including civil work for installation and the storage units and subsequent smooth operation, should such a condition be included in the purchase order.
d) The terms ‘Purchase Work Order’ shall mean the communication signed on behalf of the Purchaser by an officer duly authorized intimating the acceptance on behalf the Purchaser on the terms and conditions mentioned or referred to in the said communications accepting the tender or offer of the contractor for the tendered consultancy work.

2. **PRICES:**

   Tenders, offering firm prices will be preferred, where a price variation clause is insisted upon by tenderer, quotations with a reasonable ceiling should be submitted. Such offers should invariably be supported by the base price taken into account at the time of tendering and also the formula for any such variations.

3. **SECURITY DEPOSIT:**

   On acceptance of Tender, the Contractor shall, at the option of the Purchaser and within the period specified by him deposit with him in cash or any other form as the Purchaser may determine, Security deposit not exceeding ten percent of the value of the contract as the Purchaser shall specify. If the contractor is called upon by the purchaser to deposit ‘Security’ and the contractor fails to provide the security within the period specified, such failure shall constitute a breach of the contract and purchase shall be entitled to make other arrangements for the re-purchase of the stores contracted for at the risk of contractor in terms of sub-clause (ii) and (iii) of clause 10 (b) hereof and or to recover from the contractor damages arising from such cancellation.

4. **GUARANTEE AND REPLACEMENT:**

   a) The contractor shall guarantee that the storage units supplied shall comply fully with the specifications laid down, for material workmanship and performance.

   b) For a period of (12) twelve months after the acceptance of the stores, if any defects are discovered therein or any defects therein found to have developed under proper use arising from faulty installation, design or workmanship, contractor shall remedy such defects at his own cost provided he is called upon to do so within a period of 14 months from the date of acceptance thereof by the purchaser who shall state in writing in what respect the store or any part thereof are faulty.
c) If in the opinion of the purchaser, it becomes necessary to replace or renew any defective units such replacement or renewal shall be made by the Contractor free of all costs to the purchaser provided the notice informing the contractor of the defect is given by the purchaser in this regard within the said 14 months from the date of acceptance thereof.

d) Should the contractor fail to rectify the defects, the purchaser shall have the right to reject or repair or replace at the cost of the contractor the whole or any portion of the defective storage system.

e) The decision of the purchaser, not withstanding any prior approval of acceptance or inspection thereof on behalf of the purchaser, as to whether or not the storage units supplied by the contractor are defective or any defects has developed within the said period of 12 months or as to whether the nature of the defectives required renewal or replacement shall be final, conclusive and binding on the contractor.

f) To fulfill guarantee conditions outlined in Clause 5(a) to (d) contractor shall, at the option of the purchaser, furnish a Bank Guarantee (as prescribed by the purchaser) from a Bank approved by the purchaser for an amount equivalent to 10% of the value of the contract along with first shipment documents. On the performance and completion of the contract in all respects, the Bank Guarantee will be returned to the contractor without any interest.

g) All the replacement units shall also be guaranteed for a period of 12 months from the date of arrival of stores at Purchaser’s site.

h) Even while the 12 months guarantee applied to all units in case where a greater period is called forth by our specifications then such a specification shall apply; in such cases the period of 14 months referred to in Para 5(b) and (c) shall be ‘asked for’ guarantee period plus two months.

5. DELIVERY PERIOD:

a) The delivery period of the compact storage units stipulated in the Purchase order shall be deemed to be the essence of the Contract, and delivery must be completed on or before the specified dates/period.

b) Should the Contractor fails to deliver the storage units or any consignment thereof within the period prescribed for such delivery, the Purchaser shall be entitled at his option either.
I. to recover from the Contractor as agreed liquidated damages and not by way of penalty, a sum of 2% of the price of any units which the contractor has failed to deliver as aforesaid for each month or part of a month, during which the delivery of such stores may in arrears, or

II. to purchase elsewhere, without notice to the Contractor on the account and at the risk of the contractor, the items not delivered or others of similar description (where other exactly complying with the particulars are not, in the opinion of the purchaser readily procurable, such opinion being final) without canceling the Contract in respect of the consignment(s) not yet due for delivery or,

III. to cancel the contract or a portion thereof, and, if so desired to purchase or authorize the purchase of storage units not so delivered or others of similar description (where others exactly complying with the particulars are not, in the opinion of the purchaser readily procurable, such opinion final) at the risk and cost of the Contractor.

In the event of action being taken under sub-clause (ii) and (iii) of clause 10 above, the Contractor shall be liable for any loss which the Purchaser may sustain on that account, provided that the re-purchase, or, if there is an agreement to re-provide shall made within (6) six months from the date of such failure. But the Contractor shall not be entitled to any gain on such re-purchase made against default. It shall not be necessary for the purchaser to serve a notice of such re-purchase on the defaulting Contractor. This right shall without prejudice to the right of the purchase to recover damages for breach of contract by the Contractor.

6. **EXTENTION OF DELIVERY TIME:**

As soon as it is apparent that Contractor delivery period / dates cannot be adhered to, an application shall be sent by the Contractor to the Purchaser. If failure, on the part of the Contractor to deliver the storage units in proper time shall have arisen from any cause which the Purchaser may admit as reasonable ground for an extension of the time (and his decision shall be final he may allow such additional time as he considers it to be justified by the circumstances of the case without prejudice to the Purchaser’s rights to recover liquidated damages under clause 10(i) (ii) and (iii).
7. **PAYMENT:**

Contractor’s Bill will be passed only after the storage units have been received, inspected and accepted by the Purchaser for payment.

8. **RECOVERY OF SUMS DUE:**

Whenever there is a breach of contract whether liquidated or not, money arising out of or under this contract against the contract, the Purchaser shall be entitled to recover such sum by appropriating, in part or whole, the security deposited by the Contractor, if a Security is taken against the contract. In the event of the Security being insufficient or if no security has been taken from the Contractor, then the balance or the total sum recoverable as the case may be shall be deducted from any sum then due or which at any time thereafter may become due to the contractor under this or any other contract with the Purchaser. Should this sum be not sufficient to cover the full amount recoverable, the Contractor shall pay to the Purchaser on demand the remaining balance due. Similarly, if the purchaser has or makes any claims, whether liquidated or not, against the Contractor under any other contract with the purchaser, the payment of all moneys payable under the contract to the Contractor including the Security Deposit shall be withheld till such claims of the Purchaser are finally adjudicated upon and paid by the Contractor.

9. **INDEMNITY:**

The Contractor shall warrant and be deemed to have warranted that all units supplied against this contract are free and clean of infringement of any patent, copyright or trade mark, and shall at all time indemnify the purchaser against all claims which may be made in respect of the stores for infringement of any right protected by patent, registration of design or trade mark and shall take all risk of accidents of damage which may cause a failure of the supply from whatever cause arising and the entire responsibility for sufficiency of all the means used by him for the fulfillment of contract.

10. **ARBITRATION:**

In the event of any question, dispute or difference arising under these conditions contained in the purchase order in connection with this contract, (except as to any matters the decision of which is specially provided for by these conditions), the same shall be referred to the sole arbitration of the Head of the Institution or of some other person appointed by him. It will be no objection that the arbitrator is a Government Servant, that he has to deal with matter to which the Contract relates or that in the course of his duties as Government Servant he has expressed views on all or any of the matters in dispute binding on the parties of this Contract.
a. **IT IS TERMS OF THIS CONTRACT:**
